

Sustainable
South Hams

27th January 2025

An Introduction

Jane Nichols — Director
jane@sussh.org

Our purpose

Inspire, connect and support
local nature and climate action

How we help

We work with **community** and **group** leaders to **share knowledge** and **create connections**

What's happening near you?

See if your area has declared a climate and nature emergency and if there is a plan that helps to address this.

Understand your area's carbon footprint, discover local climate and nature groups and find out what your community is up to.
